Choices

Parking in Downtown Wilmington has never been so easy. Choose from 760 metered spaces throughout downtown – a perfect solution for a quick trip to shop or dine. If you need to stay a bit beyond the meters’ one- or two-hour limits, there’s no need to move your car. Just drop in another coin or Pay-By-Phone allows you to use your cell phone to pay for parking. And

to make metered parking even more attractive, take advantage of our “Time to Spare Without a Care” campaign, in which we give you an extra five minutes to ensure you can return to your vehicle before your meter expires.

Want to make a day or night of it downtown? Then choose from more than 2,000 spaces in three conveniently located decks and two parking lots.

All parking is within easy walking distance to points of interest. But if you’d rather relax, simply wave down our free, air-conditioned trolley at any intersection or designated Wave medallion.
